GRANT PROPOSAL FINAL REVIEW AND APPROVAL FORM
INSTRUCTION SHEET

It is the responsibility of the grant proposer to receive final approval of the grant proposal ***at least seven working days*** prior to the proposal deadline. The grant proposal must be submitted for final review and approved before it may be submitted to an external funding agency. This includes proposals requesting faculty fellowships, sabbatical, or travel support. In addition, all proposal correspondence, including any letters of intent or letters of support, should be routed through the Office for Grants for approval before proposal submission.

Please review the full Office for Grants Policies & Procedures for the detailed procedures regarding proposal submission and approval prior to seeking external funding. No proposal may be submitted to any external agency without final administrative approval as outlined in the Procedures. ***Failure to follow these procedures will result in the proposal not being submitted and/or withdrawn.***

The Office for Grants reserves the right to require a greater amount of time than the prescribed three weeks for pre-proposal grant requests and/or the prescribed seven working days for final review and approval dependent upon the size and complexity of the proposal.

The following steps should be followed to obtain final review and approval of all proposals:

1. Complete the Grant Proposal Final Review and Approval Form.
2. Attach all applicable items listed under the Application Package Checklist on this form.
3. Obtain the required signatures in the first signature box on the last page of this form.
4. Submit the signed form along with electronic and hard copy versions of the proposal and budget (and any other required application items) to the Office for Grants for final review and approval.

In order for the proposal to be approved, any additional documents or information required by the external funding agency MUST be provided. Please review the College's Conflict of Interest Policy. Each grant proposer MUST complete the *Disclosure of Financial Interests Related to Sponsored Projects Form*.

The Office for Grants will obtain the final signatures in the second signature box, and will submit all approved proposals in accordance with the external funding agency's submittal requirements.

IN ORDER TO EXPEDITE APPROVAL, PLEASE:

*ATTACH ALL ITEMS required for the completion of the application package.
*Ensure that the information submitted is accurate and complete; INCOMPLETE FORMS WILL BE RETURNED.
*DO NOT LEAVE BLANK SPACES, mark N/A if not applicable.
