Your financial aid application has been selected for a process called ***Verification***. Verification ensures the data reported on your Free Application for Federal Student Aid (FAFSA) corresponds with the data on certain income documents. Section 483 of the Higher Education Act of 1965, as amended, gives us the authority to ask for this information before awarding federal aid. We cannot continue processing your financial aid application until all requested information is received and completed. If there are discrepancies, we may ask for further documentation and we may be required to make corrections to your FAFSA. Verification may take 4-6 weeks AFTER all required documentation has been submitted to our office.
