

## Prior Learning Springdale Schools

### ASSOCIATE OF APPLIED SCIENCE IN GENERAL TECHNOLOGY

Students taking specified course work through Springdale Schools can request prior learning credit from the Dean of Workforce.

#### PROGRAM DESIGN

- A. NWACC will only accept 30 hours of prior learning toward an associate degree which requires 60 hours. Only fifty percent (50%) of certificate requirements can be from prior learning.
- B. Students must complete 15 credit hours of coursework at NWACC to earn an associate degree and 25% of the credit hours required for a certificate program.
- C. NWACC will award prior learning credit for Springdale courses upon successful completion of the following courses toward the AAS in Gen Tech, AAS in Construction Technology, and/or the Plumbing and Electrical Apprenticeship, provided students are in the NCCER registry and have successfully completed all of the quizzes, tests, and performance profiles.

<b>DTSOI</b>	<b>NWACC Equivalent</b>	<b>Credit Hours</b>
NCCER Craft Skills-Core	CST 1323 Intro to Craft Skills	3
NCCER Carpentry Level 1	CST 2213 Const Methods I	3
NCCER Plumbing Level 1	PLMB 1204 PlumbingI/Core	3
Field Exp. Internship	CST 2441 Construction 1	1
<b>Har-Ber</b>		
NCCER Core	CST 1323 Intro to Craft Skills	3
NCCER Electrical I	ELCT 1204 Electrical I	3
NCCER Electrical II	Elect 1404 Electrical II	3
NCCER Plumbing I	PLMB 1204/PlumbingI/Core	3
NCCER Plumbing II	PLMB 1404/PlumbingII	3
<b>SHS Ag Mechancis</b>		
NCCER Core	CST 1323 Intro to Craft Skills	3
NCCER Heavy Equipment I&II	TBD	3
