

REGISTER FOR EMERGENCY ALERTS

- Visit bcalert.com
- Register using your email or phone number, and set a password
- Create a contact in your phone for **Benton County Alert**. This will ensure emergency messages are not blocked.
 - Phone alerts will show up on caller ID as **479-271-5738**
 - Text/SMS messages will show up from sender ID **65513**
 - Email alerts will be from **BCAlert (noreply@genasys.com)**

Benton County will use the Genasys Protect ALERT system to **notify you about issues that may affect your safety**, such as tornadoes, flooding, gas leaks, or other emergencies. To ensure you receive this information, **keep your contact information up to date.**
