

Northwest Arkansas Community College
(Social & Behavioral Sciences Division)

Discipline Code

GEOG

Course Number

1001L

Course Title

Physical Geography Lab

Catalog Description

An introductory survey of the various components of the physical environment and the basic interrelationships among them. Topics of study include movements of the earth and seasonal change, interpretation of maps, the elements of weather and climate, and the effect of physical processes upon various types of regions. Emphasis is on developing a broad perspective of the natural world.
