**Wednesday, November 19, 2014**                      **Center for Health Professions**

**4:00pm – 6:00pm**                                      **Room 1013**

The Nursing Department strongly encourages all pre-nursing students to attend one of the advisement sessions listed above. Please feel free to bring a guest or support person to find out more information about our program – no young children please!

**No appointment is necessary;** however, please plan to arrive a few minutes early for optimum seating.
