

## NorthWest Arkansas Community College Administrative Policies and Procedures

## Normal Course Load and Overload for Students

3-3-1

## Policy:

A full-time academic load at NorthWest Arkansas Community College is 12-18 credit hours. Within each semester (fall, spring and summer) many sessions may be offered starting and stopping at different times. Students are advised to limit their enrollment in these shorter sessions especially during the summer term. Students wishing to register for more than the allowed credit hours must have the signed approval of the Vice President for Student Learning or designee.
