<sup>\*</sup> Students may enroll to audit a course for self-enrichment, or to observe a course before enrolling for credit in it. A student may audit courses only when class enrollment permits. Tuition and fees are paid at the same rate as classes taken for credit and Financial Aid will not pay for audited courses. A grade of AU is given for audit enrollment and no graduation or transfer credit is awarded. A student may change a course from credit to audit or from audit to credit though the **first week** of classes during each semester.
